

## Job Posting

---

Rite Track is a unique company serving the high tech semiconductor business from the Midwest. Our customer list reads like a Who's Who of Fortune 500 companies including major semiconductor, military, and aviation giants. We even played a role in putting the first rover on Mars. We are looking for a few outstanding people to help facilitate our growth and better position us for success.

### **PCB REPAIR TECHNICIAN**

Rite Track is looking for full time PCB Repair Technician responsible for the repair, troubleshooting, and some manufacturing of printed circuit board assemblies.

#### **RESPONSIBILITIES**

- Repair of new and used circuit board assemblies to the component level.
- Able to diagnose and repair 5V logic circuits
- Able to diagnose and repair AC and DC power circuits

#### **REQUIRED**

- Good work history and strong work ethic with practical experience and knowledge of complex circuitry.
- Ability to meet or exceed quality and cosmetic standards in the following areas:
  - Soldering
  - De-soldering
  - Utilize test fixtures, Volt meters, oscilloscope's and other test equipment to validate functionality and to assist in the repair
  - Ability to separate power circuitry from logic circuitry on complex PCB's. Schematics may or may not be available
  - Ability to create new test fixtures and testing protocol
- Position requires operating a computer terminal, standing for occasional periods of time.
- Willingness to learn and succeed

#### **PREFERRED**

- 5 years or more of printed circuit board repair
- Ability to work with Engineering Department to review and sometimes design electrical improvements
- Ability to manage time and tasks to meet target dates while meeting or exceeding quality goals
- Ability to assist in:
  - Creation and improvement of repair reports, standards, and procedures
  - Quality Inspections
  - Creation of standardized test procedures
- Competency in manufacturing, troubleshooting, and repairing electro-mechanical assemblies.
- Leadership ability

#### **EDUCATION**

- High School Diploma, Bachelor's Degree (EET preferred), or associates degree (EET) with equivalent experience.
